## **Bengali Publications**

For many years the publications of the Math were mainly in Bengali. It was only much later, in 1983, that English books first appeared.

As a result there is a long history of Bengali spiritual books being produced here. Chaitanya Mahaprabhu. For the last twelve years of His manifest pastimes, He was deeply absorbed in the mood of union in separation and shared His heart's inner feelings with His most confidential devotees. In the agony of separation from Krishna, volcanic eruptions of ecstasy flowed from His heart, and His teachings, known as *Siksastakam*, appeared from His lips like streams of golden lava.
